Software Product	DA3	DPS	Validator Manager	SMART PIPS	NV Card Utilities	ITL Drivers	DA3 SMART Update - €5
Software Revision	1.14	1.1.3	3.3.13	1.4.5	1.4	2.0	1.0

SOFTWARE RELEASE NOTES

DA3 firmware version 1.14 released
A new version of DA3 firmware has been released 1.14.
The firmware is available to download from our website within
Technical Support / Firmware Download.

New Functionality:
NV Card Utilities update cards can now be copied.

Improvements:
Fixed an issue when updating units powered through the IF5.
Fixed an issue where MDB flags weren't saved during a match download.
Fixed an issue where copying Card A to the DA3 occasionally failed.
Made improvements to match download with regard to settings.

DPS - Device Programming System version 1.1.3 released
A new version of DPS has been released 1.13. The programme is available to download from our website within Technical Support / Software Download and should be used to set up all DA3 handheld programmers. The DPS zip file contains the DPS installer, a quick reference guide and the latest DA3 firmware 1.14

New Functionality:
The DA3 will now require firmware version 1.14 or above to work with this version of DPS.

Improvements:
Improvements to the user interface
Fixed an issue where the escrow reject setting was not being set correctly
Fixed an issue when importing files; these will now correctly match the target interface (TGT) instead of importing as SSP.

DA3 SMART Update Tool - Euro €5 version 1.0 released
A new DA3 SMART Update Tool has been released to aid customers to update their validators to accept the new €5 note. With the use of a DA3 handheld programmer and standard SD card all ITL validators can be quickly and simply updated to accept the new €5 note. The DA3 SMART Update Tool for the new €5 note can be downloaded from our website within Technical Support / Software Download where a quick start guide explains the whole procedure.

- NV200 / SMART Payout
- BV20, BV50, BV100

New UK Based Sales and Support Team Members
We have strengthened our UK Sales & Support Team recently to further improve our level of sales and technical support. Three new members of staff have joined us recently.

Ian Fuller has over 30 years experience in the industry and will support Paul Curley with sales across the UK.

Lorna Banham will be based at the UK Head Office and will be responsible for day to day order processing and customer queries.

John Wade will provide technical support across Europe by assisting our offices in Spain, Germany and the UK. Based in Dublin, John will also provide sales and support assistance to customers in both Northern & Southern Ireland.

Ian Fuller
Business Development Manager

Lorna Banham
Sales Support Administrator

John Wade
Senior Support Engineer
